## STEIRERECK

Am Heumarkt 2A, 1030 Wien

“Pace yourself for the best meal of your life”

In 1970 Heinz and Margarethe Reitbauer founded the Steirereck. It was soon a widely popular “backhendl station”, a middle-class inn in the gastronomic no-man’s-land of eastern Vienna. It was only a trip to France that brought Heinz and Margarethe Reitbauer into contact with haute cuisine a few years later. The rest is gourmet history.
